

Service Title: Emergency First Aid (Appointed Persons) Course

Service Ref: TFA01

Course Duration: 1 Day (6 hours)

This course consists of one day's training in Emergency Care Procedures designed to give the student a basic knowledge in the essential skills of patient care.

The course meets the recommendations of the Health & Safety (First Aid) Regulations 1981 issued by the Health & Safety Executive. It is delivered in accordance with the Approved Code of Practice L74 for training of candidates in first aid for low risk environments.

Who would require this service?

Any member of an organisation or company who is likely to find themselves taking charge of a first aid emergency or assisting a qualified First Aider. Although not a compulsory requirement, Health & Safety Executive recommends this course for those who are 'appointed' to take charge of first aid provision if the number of employees and occupational risks are low.

Content

This course covers the basic essentials required to provide emergency care to a patient. Candidates will receive training in a range of first aid skills including:

- The ability to act safely and effectively when an accident or emergency occurs
- The treatment and priorities of care for an unconscious patient
- The recognition of cardiac arrest and delivery of cardio-pulmonary resuscitation (CPR)
- The ability to safely and promptly treat a patient who is bleeding
- The keeping of simple records following an accident at work

The course follows a syllabus laid down by the MEDIC FIRST AID® international family of first aid training systems which utilises the following training methods:

- Video segments to convey essential information
- Hands on practice in groups of three
- Positive coaching from approved Instructors with a maximum group size of 12 students
- Up-to-date medical information presented in a stress-free learning environment
- Opportunity for self appraisal and completion of a class evaluation

Certification Candidates who successfully complete the course will be awarded a certificate. The qualification is valid for three years.
